I, _____, realize that once I sign this contract I must play with this team for the duration of the season. If I become dissatisfied with this team and quit, the I must wait until the next year's season to join another team. This contract is binding for one year once it is signed by both the player and manager. I understand that the only way to be released from this contract is by having the manager of this team to void this contract through the recreation department's office and head of department before the team named above has played its first regular season game. I also understand the Appling County Parks and Recreation Department is NOT responsible for any injury that I may receive while participating in the above stated league.
